(The accompanying notes are an integral part of the financial statements)

Notes for the understanding:

- The above financial results of the Company have been prepared in accordance with Indian Accounting Standards ('Ind AS') notified under the Companies (Indian Accounting Standards) Rules, 2015 as amended by the Companies (Indian Accounting Standards) Rules, 2016 and accordingly, these financial results together with the results for the comparative reporting period have been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013 ("the Act"), and other recognized accounting practices generally accepted in India and in compliance with Regulation 33 and Regulation 52 read with Regulation 63 (2) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations"). Any application guidance/ clarifications/ directions issued by the Reserve Bank of India or other regulators are implemented as and when they are issued/ applicable.
- The above financial results have been reviewed by the Audit Committee and subsequently approved by the Board of Directors of the Company at its meeting held on 10-11-2020.
- In compliance with Regulation 33 of the Securities Exchange Board of India ("SEBI") (Listing Obligations and Disclosure Requirements) Regulations, 2015, a limited review of financial results for the quarter and half year ended 30 September 2020 has been carried out by the Statutory Auditors.
- There is no separate reportable segment as per Ind AS 108 on 'Operating Segments' in respect of the Company.
- In accordance with the board approved moratorium policy read with the Reserve Bank of India (RBI) guidelines dated 27 March 2020, 17 April 2020 and 23 May 2020 relating to 'COVID-19 - Regulatory Package', the Company had granted moratorium up to six months on the payment of installments which became due between 01 March 2020 and 31 August 2020 to all eligible borrowers. This relaxation did not automatically trigger a significant increase in credit risk. The Company continued to recognize interest income during the moratorium period and in the absence of other credit risk indicators, the granting of a moratorium period did not result in accounts becoming past due and automatically triggering Stage 2 or Stage 3 classification criteria. The impact of COVID-19 on the global economy and how governments, businesses and consumers respond is uncertain. This uncertainty is reflected in the Company's assessment of impairment loss allowance on its loans which are subject to a number of management judgements and estimates. In relation to COVID-19, judgements and assumptions include the extent and duration of the pandemic, the impacts of actions of governments and other authorities, and the responses of businesses and consumers in different industries, along with the associated impact on the global economy. While the methodologies and assumptions applied in the impairment loss allowance calculations remained unchanged from those applied while preparing the financial results for the year ended 31 March 2020, the Company has separately incorporated estimates, assumptions and judgements specific to the impact of the COVID-19 pandemic and the associated support packages in the measurement of impairment loss allowance. The Company has been duly servicing its debt obligations, maintains a healthy capital adequacy ratio and has adequate capital and financial resources to run its business. During the quarter and half year ended 30 September 2020, the Company has considered an additional charge of Rs.526.50 lakhs in the Standalone statement of profit and loss, due to a management overlay, to reflect deterioration in the macroeconomic outlook. The final impact of this pandemic is very uncertain and the actual impact may be different than that estimated based on the conditions prevailing as at the date of approval of these financial results. The management will continue to closely monitor the material changes in the macro-economic factors impacting the operations of the Company. Further, no additional borrower accounts under the moratorium granted category have been classified as impaired (non-performing assets) which were not declared non-performing till 31 August 2020, in view of the Supreme Court order dated 3 September 2020 (Public Interest Litigation (PIL) by Gajendra Sharma Vs Union of India & ANR). The Company has made a provision of Rs.220.37 Lakhs as management overlays on such accounts in the Standalone statement of profit and loss.
- Corresponding Figures of Previous years, Half year and/or Quarter ended are reclassified/ regrouped wherever necessary.

Limited review Report

Review report to Board of Directors,

Esaar (India) Limited

We have reviewed the accompanying statement of unaudited financial results of **M/s Esaar(India)Limited** for the quarter ended 30thSeptember 2020.

This statement is the responsibility of the Company's Management and has been approved by the Board of Directors. Our responsibility is to issue a report on these financial statements based on our review.

We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and an analytical procedure applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited financial results prepared in accordance with applicable accounting standards and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.

We believe that our audit provides a reasonable basis of our unmodified opinion.
